

Never say "SHUT THE BLDY SCREEN DOOR" ever again!**

Why AquaClose?

The AquaClose engine is it's zero maintenance weights which deliver unchanging lifetime performance.

"We get our fair share of mozzies & flies where we are, so this product has been an absolute winner in our book!"

-Paul & Jane (Perth)

"Living in the bush, this has been brilliant for keeping out lizards, snakes & toads. Thank you!"

-Graham & Tracey (NT)
